

Weddings at Longacre

We are so pleased that you have chosen to consider Longacre for your very special day. We would be delighted to assist in your planning to ensure a truly memorable and magnificent occasion for you, the guest of honor.

Facilities:

Our lovely brick English Tudor home, built in 1933, offers over two acres of secluded gardens, century-old boxwood courtyards, rock patios and a Koi pond for yours and your guests' enjoyment.

Longacre invites a wide variety of gatherings accommodating up to two hundred guests. We are located a couple blocks away from Appomattox's Main Street and directly across the street from the magnificent and historical Liberty Baptist Church.

There are several other chapels and churches in the area for a more specific religious preference.

You can choose from the various open courtyards for your ceremony and/or reception. For a more intimate gathering or dinner of less than 30, we can convert the Magnolia room for an inside option.

Guest Parking can be arranged in the adjacent lots of the Church.

Packages available include:

- Exclusive Property Use - the grounds for the weekend, all 5 guestrooms for 2 nights - \$3500 plus occupancy taxes. Carriage House available for an additional \$350 for the weekend.
- Grounds only with Magnolia room for grounds access on day of wedding and Manor Room for one night as honeymoon suite - \$2500 plus occupancy tax
Prices above include security for your event and grounds cleanup.

Food & Beverage:

Longacre is pleased to recommend several caterers who can handle all of your food, beverage, rentals and decorating needs. We do not require that you use one of them however should you provide your own private caterer, there is a \$250 kitchen fee for use of the Carriage House kitchen to cater your event.

We do not have our own ABC license so you or your private caterer will need to purchase a one-time banqueting license from your local ABC agent in order to serve alcoholic beverages at your wedding.
